Halloween Safety Tips

Trick or treat in neighborhoods that you know well.

Go with friends or an adult. DO NOT GO OUT ALONE!

Wear light colored clothing or reflective strips/light up accessories so that drivers can see you in the dark.

Trick or treat on one side of the street, then the other side. Do not run from one side to the other. Cross only at corners.

Carry a flashlight/or some sort of lighting.

Do not go in a stranger's house or car.

Only go to houses that have their porch light on.

BEFORE YOU EAT YOUR TREATS, let your parents check them over. HAVE FUN!!!!
